### **Prayer Request and Praises**

1. Praise the Lord that Velma and Al Corson, our colleagues, are presently in the States sharing with their churches. Velma's health continues to improve. PTL
2. Praise for the continued faithfulness of our many supporters. May our Heavenly Father richly bless you this coming year.
3. Praise for the grinding mill project has begun. Projected completion date... March 2012. Pray for funds and safety during construction.
4. Praise that we began work to open the bore hole, but need commercial assistance to remove all the rock, packed clay, and pieces of tree trunks lodged in the casing. The nationals filled it during the civil war. Pray that the well will be absent of bombs.
5. Praise for 25 banana trees that were planted, a good harvest of artemisia which cures malaria, drying of moringa leaves, and a great vegetable harvest for supplying the needs of the people.
6. Praise for all the numerous opportunities that Jaynie has to serve the people in Mombedzi Um by teaching about God's creation of wonderful plants. Pray for those with AIDS, malnutrition, malaria, worms, infections, cholera, and many other diseases.
7. Praise be to our Heavenly Father for His love and faithfulness in 2011 and looking forward to more exciting opportunities in 2012

*In His Amazing Love.*
