Merry Christmas

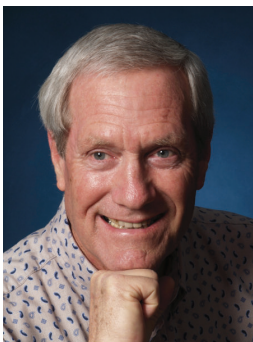

Greetings for the merriest and blessed Holiday season from very cold Ohio. May your Christmas be Christ centered, praising Him for His most precious gift of all.

Luke 2:11 *For to you is born today, in the city of David, a Savior, who is Christ the Lord.*

Mini “Home Assignment”

For the past five months we have been visiting our family, friends and faithful supporters in five States. It is such a joy to report about all the blessings that the Lord is pouring out over Mozambique.

There has been such tremendous growth in the past 23 years, starting with 387 Churches of Christ in the Provinces of Nampula and Zambezi in 1987, but currently there are over 3,000 churches in five Provinces. As well as, hundreds of independent churches that we equip, that are calling upon our Lord and Savior.

Jacob will continue to support the area church families by visiting, preaching, teaching, training and discipling, helping them discover their God given value because of who they are and to whom they belong. This transforms minds to have a biblical world view.

The 7x7 Cattle project has experienced success and failure.

Ten of the projects have been terminated by the leaders due to lack of vision and good leadership. The remaining five projects are successful beyond belief. One in particular has over 30 head of cattle and have given away 14 head in order to start new projects. The Governor of the Province was so impressed that he came in person for a visit.

The tropical plants as medicine ministry is flourishing and God is blessing exponentially! In 2008 we obtained a 440 acre farm, Eden, for the development of the tropical plants as medicine ministry. She was trained by Dr. Hirt, co-founder of Anamed and is skilled in over 60 plants to help the Mozambicans with their tremendous health issues addressing nutritional and medicinal needs, teaching ways to make natural medicines, water purification, oral re-hydration drink, natural pesticides, and natural fertilizers. In 2011 she will introduce solar dehydration, solar cooking, as well as building cob (sand, clay, water and straw) cook stoves, soap making, and other much needed techniques. She also, has been instrumental in building our new cob home on Eden farm.

Phylcia's 25th Birthday with friends

Gidget and Brané patiently waiting for our return.

Jaynie's 105 year old Grandmother (Lottie Windon)

So many things we don't have in Mozambique. Well kept roads, good barns and houses and beautiful tree.

Prayer Request and Praises

1. Al Corson's (our new teammate) left toe isn't healing as expected and he needs our continued prayers.
2. Al and Velma still need more financial support, Contact them at: alandvel@safariinsightmission.com
3. Thank Father for all the financial support received in these difficult times.
4. Thank the Lord for faithful workers in His vineyard and we praise the Lord for the visitors that we will have this year.
5. Praise the Lord for the wonderful receptions we have received by our supports.
6. We are presently in the States and will be leaving for Mozambique the 11th of January 2011.

In His Amazing Love. Jacob and Jaynie Michael

May God's Light Encircle you, His Love Enfold you, His Peace Encourage you and His Presence Enrich you.
